Dear Parents,
The 2014 National Day of Action against Bullying and Violence is on this Friday 21 March 2014. This annual day provides a focus for all schools to say Bullying - No Way! and to strengthen their existing everyday messages that bullying and violence at school are not okay at any time. To signify our stance against Bullying we will be focusing on 3 opportunities for our students to remember that they are entitled to always feel safe and that there is no excuse for bullying. Orange is the colour associated with ‘bullying no way’ so we would like all of our students to wear something orange on that day (we do not want any added expense so it can be as small as wearing orange ribbons or orange socks—only on that one day!!!). Steve Ballin and Damir Muftic have organised orange flags that all students will have the opportunity to sign to signify their individual stance against bullying. The children will sign these over the next few days and then they will be put up in the school to remind all of us of our challenge to stamp out bullying where we can. All students will be able to write with orange pencil rather than lead on any sheet work in the last hour of the day.

Students in Years 6 & 7 will be presented with their badges and certificates this Friday also. Student Leader Induction Ceremony is at 12:30pm followed by afternoon tea at 1:30 under the Assembly Hall. Students who normally sit under the assembly hall for afternoon tea will sit under 8 Block just for that time. Our normal 2.15pm assembly is therefore cancelled for this Friday. In our ‘bouerce back’ (emotional and social learning program used across the school) a time slot bullying will be discussed.

Once again I will reiterate our school’s definition of bullying:

Bullying is negative physical, emotional, verbal or cyber actions that are...

intentional/deliberate involves a real or perceived imbalance of power (physical, emotional or social)

Directed toward a specific person or persons

I would like to personally thank the parents who let the teachers know if they perceive that something is not right, that their child is reluctant to come to school or have told them about something happening on buses or in the playground. Often children are not being bullied but find it complex to work out disputes where it is something that they just need some support with. Please remember that if they wish to contact a teacher they can ring to the office, write a note or just put a short note in their child’s homework book.

Thank you to those parents who came to our literacy workshop. I have some additional handouts if there are some parents who couldn’t make the meeting but still wanted some support. Please don’t forget Gayle Holmes is presenting her Maths workshop tomorrow night at 7.00pm. She is always incredibly entertaining and has much to offer.

Thank you to all the wonderful parents who attended our P&L last night. I would like to thank Jarad Venables for taking on the role of president once again and welcome Satu Dickson as our new vice president. Our wonderful treasurer Megan Carbone has once again taken on the role and will be supported by Michelle Lenzo. Joyce Press has once again been kind enough to take on the secretarial role. We welcomed some new parents last night as well. Please come along to any meeting it is always entertaining and it is always about supporting the school to achieve the best possible opportunities for your children.
