Hello Fantastic Ingham SS Community,

On Thursday I had the privilege to organize a lunch for the Staff of our wonderful school. Our staff do a marvellous job equipping our children for their future and it is truly an honour and privilege to work alongside them. The lunch wouldn’t have been possible without some very special people; Nino and Adelina from the Knight Club for preparing the wonderful hot foods and sandwiches, Lisa Naughton for chipping in with some plates, cups and other supplies, the awesome tuckshop ladies for helping me prepare some plates, cups and other supplies, the coffee machine and Pastor Pete for bringing the drinks. If you come across any of these awesome people please say a huge thank you.

Parents / Carers.

Last Wednesday, the Year 6 and 7 School Leaders – Ava Stanford, Trent Altadonna, Delta Hatfield and Brody Mombelli – attended the 2014 Beacon Charter signing at Ingham State High. In 2003 Ingham State High School formed a partnership with the Beacon Foundation, with its first No-Dole Charter Signing for Year 10 students. Our leaders joined the Year 10 students, their parents, teachers and members of the local community to celebrate the 10th Annual Beacon Charter Signing and announced their intent, as a group, to strive harder and to extend their career horizons and opportunities.

The pledge that the Year 10 students make to themselves at the Beacon Charter Signing Ceremony is:

“I promise myself that when I leave school, I will pursue a positive pathway in further education, training or employment”. Many at risk young people may not have the support or encouragement in their lives to aim high, and set achievable goals. The Charter Signing is a positive ceremony where students open themselves to having a go, and committing to the many things that they CAN achieve.

Another positive was that Jared Leishman from the Beacon Foundation, as well as other audience members approached and commented very favourably on the conduct and maturity of our own leaders. Well done, Ava, Trent, Delta and Brody.

Make 2014 the year when your child doesn’t miss a day of school. Research shows that students who have good patterns of attendance are more likely to achieve at school. If students aren’t at school or don’t stay the whole day, they are missing valuable lessons. Check out the new Every Day Counts videos. live on DETE TV. http://www.youtube.com/DETQueensland

Who doesn’t like a good barbecue; the smell of onions burning, dripping sauce and the crunch of fresh salad? Better still someone else to do the cooking and cleaning up! So, this Sunday, why not take the family to the RSL for a barbecue lunch and eat in cool air-conditioned surroundings? The P&C are to be thanked for organising this fundraiser for the school. See you there!

BEHAVIOUR EVENING

On Wednesday evening the 4th of June we are going to have a Behaviour Evening looking at the school’s understanding of behaviour and how that works in the behaviour processes that we have (and any discussion that comes from this).

We would also like to be able to provide you with some basic resources in the area of behaviour that you can use at home.

It would be great to hear what other opportunities we could provide into the future in areas such as behaviour, mental health, etc.

Please put this date in your diaries and plan to be there. I look forward to seeing you there.
