

Ingham State School

VOLUNTARY CONTRIBUTIONS SCHEME

Our Voluntary Contributions Scheme is a very modest one, we use the funds to buy consumable resources for students, including photocopying resources for the school printers/photocopiers.

Our photocopying budget exceeds \$40,000.00 each year. We are aiming to reduce this figure significantly with Maths and Handwriting textbooks and our paper drive. This fee has been approved by the P&C Association.

We get value for money from our contributions, but your help is important. Please contribute to when you are able and if you have already – THANK YOU.

Yours sincerely

Mr. Nicholas Pecchiar
Principal
Ingham State School
