

Great Results Guarantee

Snapshot report

Under the agreement for 2015

Ingham State School received

\$113 768.

Our school strategies are on track to meet or exceed our targets

During 2015, we have focused on maximising the benefits of this funding for our students. After reviewing our *Great Results Guarantee* agreement, it is clear that we are on track to meet or exceed our targeted student outcomes. We continue to implement our strategies to ensure that every student succeeds.

Strategies implemented included:

- Continuing to implement Guided Reading and Reciprocal Teaching while implementing Short Term Data Cycles to identify trends and inform planning and teaching.
- Effectively implementing Ingham State School's Pedagogical Framework: Dimensions of Teaching and Learning, Hattie's Effect Size and Fisher's Gradual Release of Responsibility to improve teachers' understanding of how to be effective in improving student outcomes.
- Effective collation and analysis of data to identify class and group trends and individual student learning needs and use this data to achieve more effective pedagogy.
- Monitor teaching practices and provide appropriate professional development and support as necessary
- Employing a teacher to work using Reading Recovery and QAR approaches to develop and enhance early literacy skills and assist with coaching of teachers in high yield strategies.
