

Ingham State School

STUDENT RESOURCE SCHEME

Our Student Resource Scheme is a very modest one. We use the funds to buy consumable resources for students, which also includes photocopy paper and consumables for printers and copiers.

Our photocopy budget exceeds \$40,000.00 each year. We are aiming to reduce this figure significantly with Maths and Handwriting textbooks and our paper drive. This fee has been approved by the P&C Association.

I feel we get value for money from our contributions. Your help is important; please contribute as soon as you are able – IF YOU HAVE PAID ALREADY- THANK YOU.

The return of the tear off strip below will assist with record keeping.

Yours sincerely

Marianne Mac Donald
PRINCIPAL

STUDENT RESOURCE SCHEME

Contribution Rate: - \$40.00 per child per year
